II. Read the text below and circle the correct answer.

Dear Lisa,

I'm so happy that my two sons are going to stay at your house in England this summer. I remember the big garden in front of it. Last year we were so happy sitting for hours under the trees and chatting. I'm sure the twin brothers are going to have fun there, too.

I'm sending you a photo of them. They're twins but they are very different. Jamie's got short curly hair and blue eyes. He's tall and thin. Roy's hair is long and straight and his eyes are black. He's tall but a bit plump. They both like basketball, football and swimming. Roy never goes hiking with his brother, he prefers roller skating. Jamie loves animals and

nature. He helps a vet on Wednesday and Saturday afternoons. Roy loves the city. He spends hours taking pictures of old buildings. His hobby is drawing old houses and one day he wants to be an artist. My sons also like reading. Roy reads comics and Jamie reads detective stories. They both listen to music a lot. Poor me! Roy's favourite music is heavy metal and Jamie likes rap. Don't worry about food. They eat almost everything. Jamie's favourite food is fish and chips and Roy's is pizza. They both love fruit and ... ice-cream, of course!! Roy hates chocolate but his brother loves it!

I'm sure you will like my sons.

Love,

Karen
